

Planting is always a fun time with lots of alcohol and different opportunities of promiscuity. You meet people, you're out in the woods, you want to have a good time. Just remember: everyone wants to have a good time! If you want to have sex with someone, you need to be 100% sure the partner-s gives you her/his consent!

Consent **must be continuous** and **can be withdrawn at any time** during sex.

It is not muted, frail, hesitant, or afraid.

It is never uncertain, assumed, or silent.

Consent cannot be gained through manipulation, intimidation, or threatening behaviour.

A person who is intoxicated with alcohol or drugs can't give consent.

Consent cannot be given by a person who is passed out or asleep.

A person who is not fully informed (about the other's identity, STDs, protection, etc.) cannot give consent.

Sex without enthusiastic consent is not sex at all. It's sexual assault or rape.

Make sure everyone is into it before you get into it
